

South African Research Association for Early Childhood Education

SARAECE is a research association that promotes research and research development in the field of early childhood education (ECE), including teacher education and development for ECE.

Aims of SARAECE:

- Provide an academic forum in South Africa for the development and dissemination of research in ECE.
- Facilitate cooperation and collaboration among ECE researchers in South Africa and beyond
- Promote links between research, practice and policy in ECE.
- Raise the visibility and status of research in ECE in South Africa and beyond.
- Embrace practice as an integral part of research development

Benefits of SARAECE membership:

- Access to the SARAECE website and all its resources.
- Reduced registration fees for SARAECE's conferences
- Voting rights at the SARAECE general meeting at the National conferences.
- Access to capacity building programmes.
- Networking with other national and international academics working in the area of ECE
- Full access to the SARAECE website: www.saraece.org.za
Includes access to the comprehensive peer-reviewed ECD research database available only to SARAECE members
- Become part of an innovative on-line ECE discussion group.
- Membership logo access
